

TAKING INTERNSHIPS VIRTUAL

Many employers canceled their summer internships due the pandemic. However, we have launched several new resources to help you find ways to continue offering job experience to students.

Your feedback helps us serve you better!

We are sending a short, quick survey out to our member businesses asking them if they have an interest in offering micro-internships, among other questions. [Take the survey](#)

From the newsroom

Remote work has been around for a long time, but as more processes become digitized, such opportunities are growing in popularity. Now with COVID-19 on the rise, it is becoming a necessity for many organizations across the U.S — and interns don't have to be left behind in this mass shift. Read about the pros/cons and tips for virtual internships: [Taking internships virtual during coronavirus](#)

Free toolkit on how to create successful virtual internships

We created a free toolkit that discusses how to create, facilitate and manage virtual internships. [Get it here](#)

Free webinar — Best practices for virtual internships

Join Julie Littrell (Brewer Science), Anita Newton (CommunityAmerica Credit Union) and Missouri S&T student intern Robert Griesenauer to learn how best to host an internship online. [Watch now](#)

HOW ABOUT A MICRO-INTERNSHIP?

Interest in micro-internships has boomed the past several years — and now even more so due to the coronavirus pandemic. Micro-internships are short-term and project-focused.
