What type of internships are available on Missouri Intern Connect?

- ◆ Standard: Typically coincide with an academic semester or summer.
- ◆ Project-based: Short- or long-term. These can be micro internships or co-ops. The duration is based on project scope and completion.
- ◆ Virtual: Intern works remotely with periodic checkpoints, eliminating geographic barriers (ideal for organizations that may not have the office space or personnel needed for supervision).
- ◆ Job Shadowing: short-term career observation.
