

Missouri Intern Connections

Summer 2019

We help promote your internship opening!

Immediately after you save your internship openings on Missouri Intern Connect, they are automatically published on our Facebook, Twitter and LinkedIn accounts. (Make sure you check your spelling and descriptions before hitting **Save** so that your openings don't post with typos.)

Internal messaging

Have you searched for and communicated with interns on Missouri Intern Connect? After posting your internship, you don't have to passively wait for applications. Use the search tool to review profiles and reach out to potential interns through the portal.

What type of internships are available on Missouri Intern Connect?

- ◆ Standard: Typically coincide with an academic semester or summer.
- ◆ Project-based: Short- or long-term. These can be micro internships or co-ops. The duration is based on project scope and completion.
- ◆ Virtual: Intern works remotely with periodic checkpoints, eliminating geographic barriers (ideal for organizations that may not have the office space or personnel needed for supervision).
- ◆ Job Shadowing: short-term career observation.

Have you posted your Fall 2019 or Spring 2020 intern openings yet?

There are over 370 students looking for internships. It's not too late to post your openings. If you have previous listings, copy and edit them for your fall and spring openings.
